Pratheek Prime

Pratheek Prime is a Residential cum Commercial Apartment project by Bharath Infratech. Pratheek Prime is an apartment block with a difference. Taking into account the needs of discerning home makers, Pratheek Prime incorporates all the comforts one would look forward to, in setting up a quality home. It also adds up business opportunities through provision of business units or commercial establishments in the same apartment complex.

Located at a quiet neighbourhood of Vidyaranya Marg, Kadabettu, Udipi, near City Hospital, it is easily accessible to all the amenities of the city, through its proximity to important land marks viz., the Bus stand, Shopping centres, Markets, Hospitals and Educational Institutions; accessed through short walks of about 2-5 minutes, makes it a desired location.

Amenities

- Spacious entrance lobby
- Two Nos passenger automatic elevators
- Two stairways for easy access and safety
- Open well with Municipal water connection
- 24 hrs power backup by diesel generator
- CCTV for security in common area
- Terrace covered with light roof
- Car parking in basement.
